TRANE
TECHNOLOGIES

TRANE PACKAGED UNIT SYSTEMS: A DIFFERENCE YOU CAN FEEL EVERY DAY.

Trane packaged unit systems deliver exceptional heating and cooling all while operating quietly & efficiently. With durable components assembled into one sleek cabinet, you can maximize your comfort from summer to winter and back.

Exclusive components like a two-stage Climatuff® compressor, all-aluminum Spine Fin™ coil, Weather Beater™ top, and variable-speed Vortica™ blower motor with Comfort R™ will deliver the sustained performance you expect year after year.

Plus, ultra-quiet operation delivers comfort without disrupting your home environment.

SEET™ TESTED

Every Trane system is put through some of the most extreme conditions found in nature in our SEET™ [Systems Extreme Environmental Test] lab. Put through five years of extreme wear and tear in just a few months, our products can stand up to the harshest environments imaginable.

	AMERICA'S MOST TRUSTED® HVAC BRAND 6 CONSECUTIVE YEARS¹
	MOST RELIABLE HEATING AND COOLING EQUIPMENT BRAND²

¹Trane was named America's Most Trusted HVAC brand/system by Lifestory Research, a national research firm, based on a 2019 study of 11,000 consumers actively shopping or considering a product as compared with peer organizations of like size and complexity. Trane has received the highest numerical score for years 2015, 2016, 2017, 2018, 2019 & 2020. Your experiences may vary. Visit lifestoryresearch.com

A CLOSER LOOK

Durable Weather-Beater Top

Specially shaped and reinforced to shrug off the elements.

State-Of-The-Art Fan System

Applies a highly-efficient motor and specially-shaped aerodynamic blade to move air across the coil quietly and efficiently.

Climatuff® Compressor

Known throughout the industry for its legendary reliability and efficient, quiet operation. The two-stage compressor in our heat pumps operates at lower speeds most of the time, using the higher speed only when needed.

Variable-Speed Blower Motor With Comfort-R™

Distributes air more evenly to eliminate hot and cold spots, while operating at reduced noise levels. Exclusive Comfort-R provides precise humidity control to enhance your comfort.

Composite Vortica™ Blower

Advanced design increases airflow with minimal sound while using less energy.

All-Aluminum Spine Fin™ Coil

Offers extreme resistance to corrosion and leaks for greater reliability. Designed for more efficient, effective airflow.

Attractive, Contrasting Louvers

Made from UV-resistant, automotive-grade plastic provide durable protection.

Appliance-Grade Finish

Appliance-Grade finish of resistant paint over heavy rolled steel stays attractive for years.

Advanced Electronic Demand Defrost

(Heat pumps only) eliminates unnecessary defrost cycles, saving energy and prolonging compressor life.

Compatible with Trane CleanEffects®

The first whole home air cleaning system to earn the **asthma & allergy friendly**® Certification Program mark by the Asthma and Allergy Foundation of America.

Features and components may vary by model and are shown for illustration purposes only.

TRANE DEALERS ARE AS HARD TO STOP AS A TRANE ITSELF.

Independent Trane dealers take great pride in creating your perfect indoor environment. They are some of the most highly trained in the business and have an extensive understanding of the movement and conditioning of air and the expertise to advise, install and maintain the right system for your home.

WE ARE COMMITTED TO USING ENVIRONMENTALLY FRIENDLY PRINTING PRACTICES.

RUN YOUR HOME FROM WHEREVER LIFE TAKES YOU.

Nexia® allows you to manage your home remotely using most web-enabled mobile devices¹. **With just the touch of a button, you can unlock a door, turn on lights, or adjust your heating & cooling from a distance to save you energy.** Simply put, Nexia gives you home automation in the most simple and accessible way. All so that you can connect with your home, even when you're not at home.

¹Nexia Remote Climate Access is included with the purchase of a connected control. Adding accessories to your Nexia system requires a monthly subscription for remote access via most web-enabled smartphones and computers.

WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home² where the air can be up to 5X poorer quality than the air outside³. **To help improve your indoor air, Trane offers a complete portfolio of air filtration equipment for whole home solutions for new and existing units.**

TRANE CLEANEFFECTS® AIR CLEANER

Utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles⁴ that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus⁵. This level of filtration makes it up to 100X more effective than a standard 1" filter⁶. Plus, it's the **ONLY** whole-home electronic air cleaner that is certified **asthma & allergy friendly**⁷ by the Asthma & Allergy Foundation of America.

ENERGY RECOVERY VENTILATORS (ERV)

Provide an energy-efficient way to exchange air inside your home with fresh air from outside, removing lingering odors like cooking smells while improving overall air quality.

HUMIDIFIERS

Provide the right amount of moisture to the air throughout your home, adjusting from summer to winter.

Contact your Dealer or visit Trane.com/Residential to learn more.

²The National Human Activity Pattern Survey (2001) | ³U.S. Environmental Protection Agency, EPA/600/6-87/002a. (1987)

⁴Based on 3rd party testing of particle removal efficiency down to 0.3 microns (2005)

⁵As reported by airmid healthgroup in ASCR092142v2 (2015) | ⁶Assuming <1% removal rate of 0.3 – 10 micron particles
